SUMMER FEDERAL WORK-STUDY APPLICATION

In order to be considered for a Federal Work-Study position for Summer 2023, ***students must have a completed Financial Aid file*** in the Student Financial Aid Office as of May 12, 2023. A completed file contains the following:

- (1) All students - Results of the Free Application For Federal Student Aid (FAFSA), which may be completed at studentaid.gov;
- (2) All Students - Authorization to Pay Form;
- (3) If an independent student is selected for the verification process, the student will need to either complete the IRS Data Retrieval on their FAFSA or obtain a copy of an IRS tax return transcript. If the student was not required to file 2021 taxes, a Non-Tax Certification Statement must be submitted;
- (4) If a dependent student is selected for the verification process, the student and parent will need to either complete the IRS Data Retrieval on their FAFSA or obtain a copy of an IRS tax return transcript. If the student and/or parent was not required to file 2021 taxes, a Non-Tax Certification Statement must be submitted;
- (5) All students selected for verification – Verification Worksheet; and
- (6) Any other documents requested by the SFAO in order to complete the verification process.

I have read and understand the above conditions and understand that priority consideration for a position will be given to those whose files, as described above, are completed by May 12, 2023.
