

SHINING THE ACM BEDFORD COUNTY CAMPUS STUDENT SPOTLIGHT

Students are the heart of the ACM Bedford County Campus, and we strive to fulfill the vision of transforming lives and making learners the center of everything we do. More than 475 Bedford, Blair, Franklin, Fulton, and Huntingdon County students are benefitting from ACM offerings during the Fall 2024 semester. Thanks to the community’s generosity, many of these students received financial support from the Bedford County Regional Education Foundation. Meet a few of our ACM Bedford County Campus students as we shine the student spotlight on them.
