

Access Proctored Assessments

To access Proctored Assessments, sign on to www.atitesting.com with your Username and Password.

The Proctored Assessments assigned to you by your instructor are located on the **MY ATI > ASSESSMENTS** tab. The Assessments tab contains your Proctored and Practice Assessments.

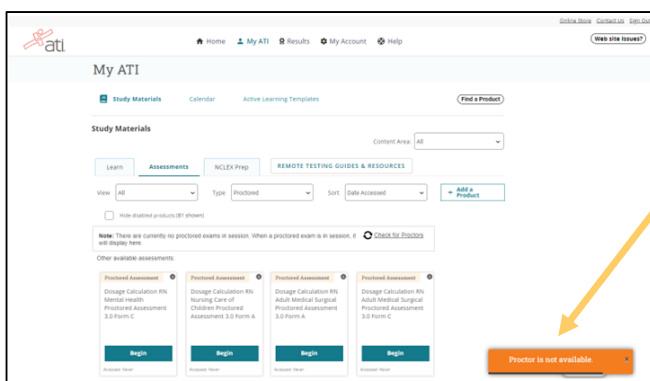

Also, Proctored Assessments you have already accessed within the last 30 days can be launched from the Student Home page in your *Recent Activity* section. They appear with the word *Assessments*, their location on the MY ATI page, displaying in the lower right corner.

To help you locate your Proctored Assessment, you can filter by *Content Area*, *View* (All, Accessed, Not Accessed), *Sort* (Name, Date Accessed, Date Due), *Type* (All, Practice, Proctored).

By default all product cards display alphabetically by assessment name. Proctored Assessment product cards are distinguished from other product cards by the yellow label at the top.

Click **BEGIN** to open the Proctored Assessment instructions.

If a proctor is not available, the following message displays.

The message will disappear after a few seconds. Click the **BEGIN** button when your Proctor is ready and your instructions will display.
