Subject line: Remaining ACM

Dear ACM Students,

Our ACM is a place where we live our commitment to civic engagement, community, and civility. A place where everyone is welcome, and everyone belongs.

On Election Day and the days that follow, we can remain ACM by engaging in meaningful, respectful, and civil conversations.

Know that we can learn from one another — even when opinions may differ — if we lead with compassion, empathy, and kindness.

Warm regards,

Dr. Cynthia Bambara
