Dear Students,

I hope you're doing well in your academic journey at Allegany College of Maryland.

As we progress through the semester, I'll highlight resources to support your success at ACM. Whether you use our [tutoring](#), academic [advising](#) or [student support](#) services, we're here to help you achieve your goals.

I encourage you to attend **ACM Day** today from 11 a.m.-1 p.m. in the College Center's lounge on the Cumberland campus. It's a chance to connect with other students and meet representatives from our departments, student clubs, and student organizations.

Connecting with students is also important to me. I plan to host a **Student Meet & Greet** in the President's Board Room later in February. I'll share details in my next message in two weeks.

Until then, please [reach out](#) if you have suggestions or ideas to improve our college.

We're committed to being an environment where *every* student is heard, valued, and given the chance to excel. *Your feedback is always valuable.*

Let's continue working together to make this a great semester!

Warm regards,
David R. Jones
President
