

ADDENDUM 1

Baseball Halo Project

Bids Due: Friday, April 18th at 2:00PM

1. On the spec sheet, #3 states "by a separate vendor" is the same vendor doing the concrete or just setting the elevation?

The separate vendor will be setting the elevation and doing the concrete work.

2. Will there need to be rolls of grass brought in for the touch up after the fact? Will seed be enough for the touchup?

Roll of turf will be required for the touchup work instead of seed.

3. If chosen, can we provide design elements (logos etc.) for the chosen contractor to make a design matching the one posted online?

Yes.
